## 2010 Summer Day Camps

### Unlimited Dreams For Individuals With Disabilities Year Round

Recreation Unlimited Farm and Fun, (Recreation Unlimited) was founded in 1958 by Dick Ruff, to provide recreational activities for people like himself with disabilities. Soon after, Jimmy Crum, former sports director at NBC 4 in Columbus, became a friend to Recreation Unlimited. In 1989, a fully accessible 195-acre campus was opened. This campus is centrally located in Ohio, 35 minutes northeast of Columbus and an easy drive from any location.

#### **OUR MISSION**

The mission of Recreation Unlimited is to provide year round programs in sports, recreation and education for individuals with disabilities while building self-confidence, self-esteem and promoting positive human relations, attitudes and behaviors.

#### **RECREATION UNLIMITED CAMPS**

Over 1,430 individuals with disabilities are served annually through seventeen year round respite weekend camps, seven weeks of summer residential camps, five weeks of summer day camps, specialty weekend and weeklong camps and a year-end residential camp.

#### **THE TIME OF YOUR LIFE**

The diverse, pristine, and accessible campus provides a great setting for you to have the time of your life.

You will enjoy a host of indoor and outdoor recreational activities and social programs such as campfires, karaoke and dances.

#### **A CAMPUS BUILT FOR YOU**

The campus features a new 20,000 sq. ft. Life Center, three large cedar residence halls with sunroom additions, a multi-purpose lodge, lifetime arts building, dining hall, outdoor pavilion, and health services center with attached nurse's quarters.

Over four miles of hard surfaced trails connect buildings and outdoor program locations. Campers participate in a wide variety of activities located at the seven-acre lake, stream, woods, prairie, nature shelters, amphitheater and outpost campsite. These trails also connect outdoor sports and adventure facilities including lap and diving pools, aquatic playground, sports court, softball field, golf hole, track, archery range, 25 ft. tree climb, challenge courses and a 50 ft. Alpine Climbing Tower.

#### **A TEAM DESIGNED FOR YOUR NEEDS**

Our caring and quality support team consisting of nurses, camp counselors, program leaders, and food specialists provides comprehensive services to meet your individualized needs.

Recreation Unlimited's philosophy, programs, campus and support team strive to promote the well-being of individuals with disabilities in every aspect.
