

# 2011 Year Round Respite Weekend Camps

Respite Weekend Camps are for youth and adults (ages 8 and up) with a physical or developmental disability. These camps provide campers and their families a get-away weekend throughout the year. Campers spend the weekend at camp enjoying a variety of activities while their families and caregivers have the opportunity to spend time away from the daily care of the individual.

Due to the sustained growth of the Respite Weekend Camps program, we are offering eighteen weekend camps, nine camps for youth only (ages 8-22) and nine camps for adults only (ages 23 & up). Please see the list of scheduled camp dates below. In addition, there will be two weekend camps designed specifically for youth ages 8-18 with Autism (ASD). Visit our website under Specialty Camps for the registration form.

Respite Weekend Camps provide a full schedule of activities, lodging, meals and snacks, counselors, program leaders, on-site nursing and a great environment for indoor and outdoor fun!

Respite Weekend Camps are Friday through Sunday. Camper arrival time is Friday from 5:00 to 6:00 p.m. Camper departure time is Sunday from 11:00 a.m. to Noon. All campers must be picked up by Noon.

Recreation Unlimited is an Individual Options Waiver, Level One Waiver, and Ohio Home Care Waiver participant. **Please inform your service coordinator of the dates that you have registered for camp and submit a request for service prior to coming to camp so that camp fees will become part of your service plan. You will be responsible for payment of any camp that is not included on your service plan.**

## Send in Your Registration!

Registrations are held on a first-come, first-served basis. You may sign up for as many weekends as you would like, but space is limited. After you send in your registration form and registration fee, a camper application packet will be sent to you for completion. Acceptance to camp is based on review and approval of the camper application and camp capacities. **Due to high demands and the need for proper planning, if the camper application packet, including physical form signed by your physician and financial information, is not returned three weeks prior to your camp date, you may lose your camp slot.**

Individual Options, Level One, and Ohio Home Care Waivers and Family Resources money cannot be used to pay the registration fee.

## Unlimited Dreams For Individuals With Disabilities Year Round

Recreation Unlimited Farm and Fun, (Recreation Unlimited) was founded in 1958 by Dick Ruff, to provide recreational activities for people like himself with disabilities. Soon after, Jimmy Crum, former sports director at NBC 4 in Columbus, became a friend to Recreation Unlimited. In 1989, a fully accessible 195-acre campus was opened. This campus is centrally located in Ohio, 35 minutes northeast of Columbus and an easy drive from any location.

### **OUR MISSION**

The mission of Recreation Unlimited is to provide year round programs in sports, recreation and education for individuals with disabilities and health concerns while building self-confidence, self-esteem and promoting positive human relations, attitudes and behaviors.

### **RECREATION UNLIMITED CAMPS**

Over 1,520 individuals with disabilities are served annually through eighteen year round respite weekend camps, seven weeks of summer residential camps, five weeks of summer day camps, specialty weekend and weeklong camps and a year-end residential camp.
