Please inform your service coordinator of the dates that you have registered for camp and submit a request for service prior to coming to camp so that camp fees will become part of your service plan. Unlimited Dreams For Individuals With Disabilities Year Round

Recreation Unlimited Farm and Fun, (Recreation Unlimited) was founded in 1958 by Dick Ruff, to provide recreational activities for people like himself with disabilities. Soon after, Jimmy Crum, former sports director at NBC 4 in Columbus, became a friend to Recreation Unlimited. In 1989, a fully accessible 195-acre campus was opened. This campus is centrally located in Ohio, 35 minutes northeast of Columbus and an easy drive from any location.

OUR MISSION
The mission of Recreation Unlimited is to provide year round programs in sports, recreation and education for individuals with disabilities and health concerns while building self-confidence, self-esteem and promoting positive human relations, attitudes and behaviors.

RECREATION UNLIMITED CAMPS
Over 1,500 individuals with disabilities and health concerns are served annually through fifteen year round respite weekend camps, seven weeks of summer residential camps, five weeks of summer day camps, specialty weekend and weeklong camps, a winter residential camp and family day camps and resource fairs.

THE TIME OF YOUR LIFE
The diverse, pristine, and accessible campus provides a great setting for you to have the time of your life. You will enjoy a host of indoor and outdoor recreational activities and social programs such as campfires, karaoke and dances.

A CAMPUS BUILT FOR YOU
The campus features a 20,000 sq. ft. Life Center, three large cedar residence halls with sunroom additions, a multi-purpose lodge, creative center, dining hall, outdoor pavilion, health services center with attached nurse’s quarters, and the Welcome Fountains and Gardens. Over $3 million has been spent since 2009 renovating all major campus buildings and aquatics center.

Over four miles of accessible hard surfaced trails connect buildings and outdoor program locations. Campers participate in a variety of activities located at the lake, stream, woods, prairie, nature shelters, amphitheater and outpost campsite. These trails also connect outdoor sports and adventure facilities including lap and diving pools, aquatic playground, sports court, new accessible and universal playground, softball field, track, archery range, 25 ft. tree climb, challenge courses and a 50 ft. Alpine Climbing Tower.

A TEAM DESIGNED FOR YOUR NEEDS
