The mission of Recreation Unlimited is to provide year-round programs in sports, recreation and education for individuals with disabilities and health concerns while building self-esteem and promoting positive human relations, attitudes and behaviors.

Thank you to all who have assisted Recreation Unlimited in some capacity as a Board member, donor, volunteer or associate. Our fundraising efforts continue to grow as our camp and camper needs also continue to grow. We welcome you to visit Recreation Unlimited to see what we are achieving together. Please call us anytime at 740-548-7006 or email info@recreationunlimited.org to schedule a campus tour.

Wishing you the best,

MISSION STATEMENT

The mission of Recreation Unlimited is to provide year-round programs in sports, recreation and education for individuals with disabilities and health concerns while building self-confidence, self-esteem and promoting positive human relations, attitudes and behaviors.

Recreation Unlimited is one of Ohio’s largest providers of sports, recreation and education programs for individuals with disabilities and health concerns. Without the camp theme of “Summer of Magic”, almost 800 campers and family members participated in the Summer Residential, Summer Specialty (Autism and Prader-Willi Syndrome) and Summer Day camp programs that started in June and ran through the month of August and they had a magical time. Additionally, an Autism Family Day Camp and Resource Fair was held during the month of June. “We are very thankful that due to the generosity of so many donors, we can offer these programs to individuals with disabilities and health concerns and see the joy that is received,” said Paul Huttlin, Executive Director & CEO of Recreation Unlimited Foundation. “As long as we have the funding, campus capacity and a quality associate team, we will continue to grow our camps and programs serving individuals with disabilities and health concerns.”

MISSION STATEMENT

The mission of Recreation Unlimited is to provide year-round programs in sports, recreation and education for individuals with disabilities and health concerns while building self-confidence, self-esteem and promoting positive human relations, attitudes and behaviors.
For twenty-six years, Westerville Alumni & Friends continued their support by donating proceeds from their golf tournament to Recreation Unlimited camps and camper scholarship fund. This year the golf tournament raised almost $32,000 through this fun event that was held on July 28, 2018 at Kyber Run Golf Course. Thank you Westerville Alumni & Friends for your continued support! We are looking forward to this relationship continuing.

Ingram-White Castle Foundation and Huntington Bank – Supports Autism Programs

We are pleased that the Ingram-White Castle Foundation supported the fourth annual Autism Camper and Typical Sibling Weekend Camp that took place the weekend of June 1-3, 2018. A total of forty-three campers with Autism and their typical siblings attended this inclusive camp and enjoyed activities together. Additionally, the 6th Annual Autism Family Day Camp and Resource Fair sponsored by Recreation Unlimited Foundation took place Sunday, June 3, 2018 after the weekend camp. Over 150 campers and family members were in attendance. In addition, thanks to the generosity of Huntington Bank, an Autism Weekend Camp was held on September 7-9, 2018 for 30 campers on the Autism spectrum. Recreation Unlimited continues to be the premier organization supporting youth and adults with Autism and their family members with camps and programs. Funding requests for the 2019 camps are currently in process.

Community Care Day Volunteerism

On a beautiful day, September 13, 2018, for the eighth year in a row, 75 volunteers from Abbott Nutrition and 28 volunteers from Ashland, Inc. painted, cleaned windows, cleaned signs, installed parking blocks, cleaned out storage buildings, and split firewood. The time and effort of all these volunteers during Community Care Day was greatly appreciated to continue the enhancement of the beautiful 195-acre accessible campus.
