

## **Recreation Unlimited Ribbon Cutting 20,000 sq. ft. Life Center**

Recreation Unlimited, a not-for-profit organization serving individuals with disabilities through sports, recreation and education held a ribbon cutting ceremony for the new 20,000 sq. ft. “Life Center” on Thursday, July 24, 2008. Joining the over 100 guests and Recreation Unlimited campers were special guests including the First Lady of Ohio, Frances Strickland, House Representative, Jon Peterson, and Mike Bell, Aide to Congressman Pat Tiberi. The new “Life Center” includes a gymnasium, climbing wall, multi-sensory room, environmental center, multiple classrooms and an assembly room. “Recreation Unlimited is very pleased to expand their 195 acre accessible campus with this new addition,” said Paul Huttlin, Executive Director & CEO. “The “Life Center” is a major outcome of Recreation Unlimited’s strategic plan to offer sports, recreation and education programs for individuals with disabilities on a year round basis.”
